

PicoCTF Cryptography: The Numbers

We are given an obscure description, but we download the file first.

Description

The **numbers**... what do they mean?

We are given the following png.

An astute eye will notice that the following numbers are between 1 and 26, so the numbers probably represent the letters of the alphabet. We can use the following chart to spell out the flag.

Numbering The Alphabet

A	B	C	D	E
1	2	3	4	5
F	G	H	I	J
6	7	8	9	10
K	L	M	N	O
11	12	13	14	15
P	Q	R	S	T
16	17	18	19	20
U	V	W	X	Y
21	22	23	24	25
Z				
26				

Using the chart we get 'picoctf{thenumbersmason}' which is of course a reference to the iconic scene in Call of Duty: Black Ops 1. We submit the flag and complete the challenge.

Hurray! You have solved this challenge correctly again.
